

We have had a wonderful start to 2024! We started off with our youth retreats in January with over 120 attending our Teen Winter Weekend. Rand Hummel challenged the teens to study God's Word and share their faith. Our Junior Winter Weekend was also well attended with close to 60 young people. Chris Jenkins spoke for that weekend with challenges from Psalm 139. Our Sweetheart's Getaway in February had 45 couples in attendance where Jim Bickel spoke about the mystery, mind, meaning and mission of marriage.

Now that the weather has warmed up, we are ramping back up to complete the pool project before our summer camps begin. Lord willing we will have that completed by the end of May! *(Old pool demolition shown above. Below are some pictures from our winter retreats.)*

Prayer

- Great attendance for our winter events.
- We received the funds for the matching gift for Taggart Hall which brings us much closer to our financial need. The renovation is set to begin this fall
- Our Spring Work Weekend is coming up on March 22-23 and installing the 320' of fencing for the new pool is one of the scheduled projects.
- Our Ladies Retreats are coming up in April. Pray that God would use the weekends to encourage and help those that attend.
- We are still in need of 2 female and 1 male college age staff members for this summer.
